

We Want to be Your Valentine!

Treat Yourself

in the gray, cold days this month...

Come to **CDLC** for a treatment (laser, chemical peel, filler, Botox, SilkPeel, cosmetic consultation, facial) and you could be the lucky winner in our Drawings! We have 3 awesome prizes:

- ♥ 20 units of **Botox** AND 1 syringe of **Filler** (\$1,000 value)
- ♥ The amazing new **Tanda** & antioxidant product, **Celfix DNA Youth Recovery** (\$300 value)
- ♥ The ever-popular **Mia Clarisonic** (\$125 value)

The **Tanda** is a red light home treatment somewhat similar to the in-office IPL light treatment or laser facial. It improves skin texture by smoothing, firming and reducing fine lines and wrinkles. Enhanced results are seen when the treatment is followed by a tretinoin or high end antioxidant product. (See my blogs.)

The **Mia** is such a treat! It gives you the quality of the **Clarisonic Pro** for facial cleansing but with the convenience of your **Sonicare** toothbrush, making it ideal for traveling. (See my blog.) Of course, we are hooked on our **Clarisonic Pro** and according to a recent broadcast on *Good Morning America* and an article in the *Wall Street Journal*, there are many, many more believers in this skincare system!

Increase Your Chances to Win!

We value the trust you place in us by referring your friends and want to reward you in a very special way: For every cosmetic referral that makes an appointment with us in February, we will enter your name again in our drawing in addition to our regular reward of giving you **20% off** a cosmetic product or procedure. If you wish,

make your appointments together and double your fun. We realize that there would be **NO US** without **YOU!!**

Things I Love:

- ♥ Our core of interesting and fun patients who honor themselves with small cosmetic treats. They understand that the birthday fairy brings physical changes but that these can be softened to match their youthful spirits.
- ♥ My opportunity to learn and share what's "new and cool" in cosmetic dermatology but with a personal dedication to use only medical evidence medicine in that sharing.
- ♥ My beautiful clinic and hard working, dedicated staff.
- ♥ Roger, Susan and all cats!

More Ways to Save!

Take advantage of the generous company rebates: **\$50 on Dysport & Botox**, Save up to **\$360** with eligible products including **Restylane and Perlane**. (offers valid February 1, 2012 through March 31, 2012.)
